Southwest

The Land of BIG CROPS and PROSPERITY.

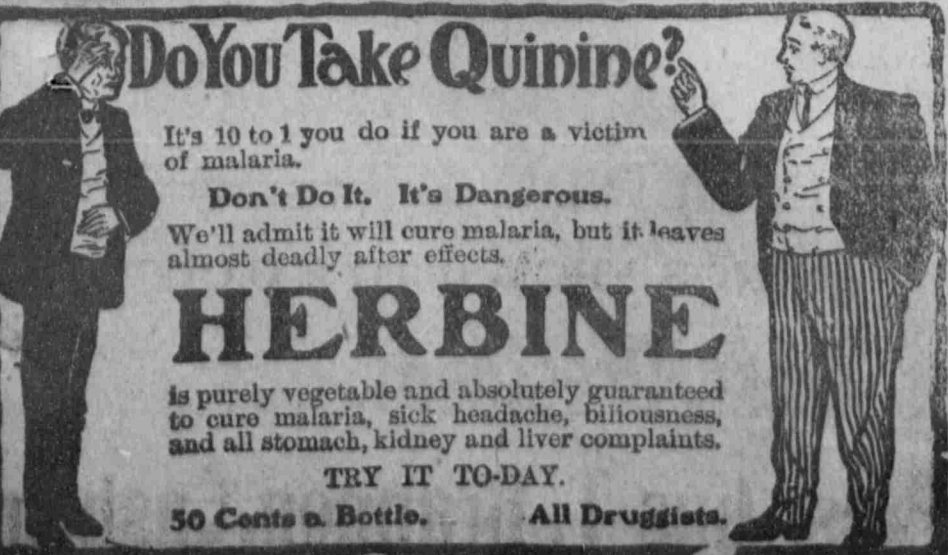

Are you making as much off your farm as you ought? No doubt you are making all you CAN. The trouble is the land costs too much. It takes too much money to buy a big farm, and so you are trying to make a living on a small farm, or perhaps you are renting one and paying a good share of what you raise, in rent. Wouldn't it be better to go where the price of good land is so little that you can own a big farm—where every acre of the ground is working for you and all you raise is paying you good profits?

There are thousands of acres of fertile land in the Southwest along the line of the Cotton Belt Route that can be bought for from \$3 to \$10 an acre. This land is increasing in value each year.

See the Southwest at Small Cost.

A trip to the Southwest would convince you that your best interests lay in settling there. The trip can be made at very little expense. On the first and third Tuesdays of each month you can purchase a round trip ticket to any point in the Southwest on or via the Cotton Belt Route at very low rates. Stopovers will be allowed for you to examine any locality you are interested in. Write at once for free copies of books describing this wonderful country and for full information about cost of tickets, etc.

Edison's Cigars.

Mr. Edison is a great smoker, but becomes so absorbed in his work that he often forgets he has a cigar in his mouth. He complained to his tobaccoist of the rapidity with which his cigars disappeared, and could not believe he smoked them all himself. The dealer agreed to make some "faked cigars." "I'll fix 'em with horse hair and hard rubber," said he. "Then you'll find that there will not be so many missing." Several weeks later Mr. Edison saw the tobaccoist again and said:

"Look here! I thought you were going to fix me some faked cigars!" "Why, I did!" exclaimed the other, in hurt surprise. "Don't you remember the box with a green label—cigars tied with yellow ribbon?" Edison smiled reflectively. "I smoked those cigars myself," he said.—Boston Post.

Maine's Longest Bridge.

The new bridge over the Sheepscot river, between Wiscasset and Edgecomb, is said to be the longest in Maine. There were used in its construction between 1,200 and 1,300 spiles, varying from 25 to 65 feet in length. All those put in deep water were oak. The bridge is 18 feet wide, with a total length of 3,360 feet. All of the timber and railings are of hard pine, of which 200,000 feet were used. It took about 175,000 feet of pine and hemlock planks to cover it, and about two and one-half tons of nails were used in fastening this planing in place. More than 6,000 bolts, varying from 9 to 36 inches in length, were used.

HOME ENDORSEMENT

Hundreds of Hopkinsville Citizens Can Tell You All About It.

Home endorsement, the public expression of Hopkinsville people, should be evidence beyond dispute for every Hopkinsville reader. Surely the expression of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:

J. B. Cravens, blacksmith, of 320 West 19th street, Hopkinsville, Ky., says: "Doan's Kidney Pills practically gave me a new back. For three or four years a kidney trouble had caused me the most constant and severe aches and pains through my back and compelled me to constantly complain in more than one way. When arising in the morning I felt sore and lame and had to make a great effort to dress myself. The trouble grew worse and a weakness of the kidneys set in which caused me a great deal of annoyance. Willing to try almost anything I purchased Doan's Kidney Pills as soon as I saw them advertised locally and got a box at L. A. Johnson & Co.'s drugstore. They brought me a great deal of benefit. My back is well and strong now and the trouble with the kidney secretions is much relieved. I have a great deal of faith in Doan's Kidney Pills.

Modest Claims Often Carry the Most Convictions.

When Maxim, the famous gun inventor, placed his gun before a committee of judges, he stated its carrying power to be much below what he felt sure the gun would accomplish. The result of the trial therefore was a great surprise, instead of disappointment. It is the same with the manufacturers of Chamberlain's Colic, Cholera and Diarrhoea Remedy. They do not publicly boast of all this remedy will accomplish, but prefer to let the users make the statements. What they do claim, is that it will positively cure diarrhoea, dysentery, pains in the stomach and bowels and has never been known to fail. For sale by L. L. Elgin and Anderson & Fowler, the up-to-date druggists at Hopkinsville.
